**Subject:** RSF 5 - Infrastructure Working Group

Good Afternoon,

As part of your role on the Restore Louisiana Task Force (RLTF), the Recovery Support Function working group you are assigned to is RSF 5, Infrastructure. Dr. Shawn Wilson has agreed to serve as Chair of the RSF 5. Your staff support contact for RSF 5 is **Ms. Kay LeSage** with the state's Office of Community Development, copied here. She has been in contact with the federal and state leads for RFS 5, and will be reaching out to you to supply information and to assist with making the proper connections. The intention of the RSF 5 working group is to provide you access to federal and state resources (and their data) that will drive your decision-making on recommendations for action by the RLTF.

RSF 5 has not held any working groups as of yet but an initial meeting is being coordinated and hopes to convene before the next RLTF meeting on Friday, October 14<sup>th</sup>. Upon the finalization of the initial working group date, time and location, Kay will reach out to you.

If you have any questions regarding RSF 5 please contact Kay at either [kay.lesage@la.gov](mailto:kay.lesage@la.gov) or 225-219-7709.

Kindest Regards,

*Lori Dupont*
